Subject - Absorption of Naganna in Superior Service

With reference to your No 5906/47 dated 1st April 1948 regarding absorption of Naganna in Superior Service I have the honour to state that it is proposed to absorb Naganna as Karkoon of Chickmagalur Municipality It is reported by the President Chickmagalur Municipality that the post of Kolkar is treated as inferior service and the post of Karkoon as superior service The former is an octroi watchman and the latter an octroi mutsad of the Municipality stationed at the Municipal toll gates for collection of toll on carts The karkoons of the Municipality were hitherto paid at Rs 16 and the Municipal council have now proposed the revision of the scale pay of the post from Rs. 16/- Rs. 20/-

The post of Karkoon Chickmagalur Municipality was previously advertised as a special vacancy bearing No 745 of 45 One Venkatesh was appointed against the vacancy on receipt his application from you but he resigned the job soon after he joined duty Since candidates applying to these minor posts are not likely to stick to the appointments in this corner I feel that it is desirable to encourage the qualified officials of the subordinate service and request you kindly to obtai sanction of Government for the appointment of Naganna as Karkoon of the Municipality as he has the required minimum qualification a pass in the Lower Secondary Examination without advertising the vacancy in the Gazette for the second time
